CLAREMONT

CLAREMONT HERITAGE JAZZ & ART IN THE PARK

This swinging event held at the historic Garner House at Memorial Park raised funds for Claremont preservation projects. A courtyard concert featured The Castaways musical group. Singers Catriona Fray and Isabella Blue also performed, while Isabella Blue's grandmother, singer and actress Lainie Kazan, mingled with guests at the event. Refreshments included wine, appetizers and desserts from Adoro Catering, and craft beer from Last Name Brewing. An art exhibit at the Garner House's Ginger Elliott Gallery featured the work of noted Claremont artists Millard Sheets, Milford Zornes and James Strombotne.
