Step 2: Schedule Your History Lessons

Now that your students are eager to dive into history, it's time to schedule your history lessons! Simply select the dates that work best for your class (typically between May-June) and coordinate with our 3rd grade history educator. Our flexible scheduling ensures that you can seamlessly integrate the program into your curriculum.

Step 3: Get Ready for the Grand Tour!

The highlight of the Claremont Heritage Time Travelers program is the captivating bus tour that takes your students on a journey through the city's historical landmarks and fascinating sites. Block out a minimum of 2 hours for this thrilling adventure! Prepare for wide-eyed wonder and delighted smiles as history comes alive before your students' eyes.

Step 4: Bus Booking Made Easy

Coordinating the bus booking is a breeze! Simply liaise with your school manager to place the order and make the payment. Need some financial support for the bus expenses? For legacy title one schools, Claremont Heritage can sometimes offer sponsorships to make this experience accessible to all. Remember, Visser is our trusted partner for bus services, and only schools can directly place the bus order.

Step 5: Share Your Feedback and Shape the Future!

Your valuable feedback matters to us! After the program, we kindly ask teachers to take a brief survey. By sharing your thoughts and experiences, you'll help us enhance the program and continue offering this fantastic opportunity to more schools in the future.
