Dear Members and Supporters of Claremont Heritage,

Board of Directors

*John Neuiber
President*

In 2026, Claremont Heritage will celebrate 50 years of preserving the history that makes Claremont, **Claremont**. Since our founding in 1976, hundreds of volunteers have worked tirelessly to safeguard our city's character, ensuring its cultural heritage is documented and preserved and will continue to inspire future generations.

As part of our **2025 Spring Appeal**, we celebrate **Founders Day and the visionaries who saw the need to protect and preserve our heritage for future generations to experience.**

Now, we ask for your support to continue this vital work. If you are already a valued Member, Thank You! As a non-profit community organization, we need to raise additional funds to provide support for the ongoing documentation and preservation of Claremont's historic resources - If we don't do it, who will? Once it's lost, it's lost forever.

Your gift today will help us:

- **Document and archive historic building plans, photographs, and documents for public access.**
- **Preserve and share oral histories, including the Claremont Barrios Project and the History of the Mexican Players and Padua Hills Theatre.**
- **Develop exhibitions, films, and educational programs that bring our past to life.**
- **Continue our Third Grade Local History Program, educating more than 400 students annually.**
- **Partner with homeowners and the City to protect Claremont's historic resources through programs like the Mills Act.**

*David Shearer
Executive Director*

Your contribution ensures Claremont's legacy will be preserved for generations to come.

Please take action today to be a vital Partner and **Keep Claremont's History Alive!**

With gratitude,

David Shearer
Executive Director

Protecting historic documents, artifacts, and places connects us to our past, strengthens our cultural identity, and fosters a sense of community
